

Quarterly Newsletter

As on March 2024

Dear Readers,

Greetings from Umang!

As we are at the last quarter of this year now each branch teachers are busy taking exams and assessing the performance of each child. We are also planning to take up summer camp and few more events for our students as well as our parents.

All teachers will be meeting for discussing the future events for the school.

Now we are also at the closure of the year and also have to plan in advance for the upcoming year

Annual Picnic

Holi celebration

It is celebrated with great joy in different states of India. It is a colourful festival with people of all religions celebrating with joy. After burning the Holika

People gather and daub colours at each other. Holi is celebrated at Umang school branches by our teachers and students. Students really enjoy to play Holi with their friends and teachers as well. Adding the images of this festival of colours:

Teachers Meeting and Lecture

We had a workshop and teachers meeting for all the three branches of Umang on 17th April at Bhyayandar branch. The topic for lecture was Toilet training lecture for teachers. The speaker for the lecture was our Founder and Trustee Mrs Bhawana Kerkar. All the teachers got the information on Toilet training followed by Information about Vocational courses to be starting from the month of June. It was an interactive session which helped gaining new information to our teachers. Then post lunch we discussed next years planning for the school and different topics were discussed as all the branch teachers were together and they all had good time after meeting teachers from other branches after many days. Annual Parents Teacher Meeting

This meetings are essential for Interaction between Parents, Class Teachers, it is done for building blocks from home to school Communication.

There is a discussion on student's performance in individual subjects

According to Disha curriculum, students discipline in classrooms and their

Attendance percentage. It is a time for listening, sharing and working

together for Overall development of the child. Discuss about. The present

and Future goals decided by teachers for the respective child And do parents

agree for the same. Sharing images of Parents teacher Meeting held at our

Umang special school.

Summer Camp

Summer camp is a special camp that is organized in the summer season for

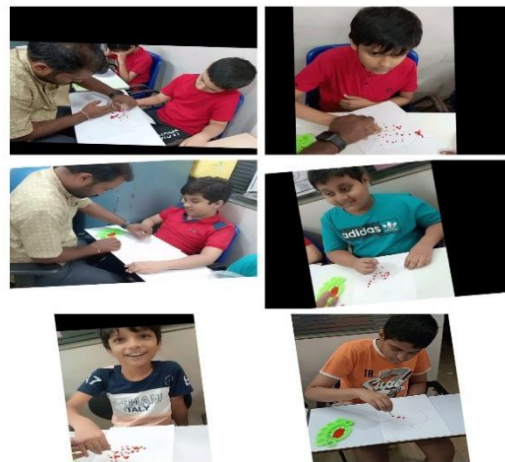

childrens.to keep them busy also in summers as the regular schools are closed

Also, the students come together to have fun and learn new

things. It also help children to try new adventures away from home in a safe

environment. Summer camp is not only a place to have fun but also a great place to learn new things. Also, it affects the child in a lot of positive ways than you can imagine. Besides, it helps in developing many skills and talents in children and also they learn by practical knowledge rather than theoretical knowledge. We have included many fun filled activities like Home science, Water Play and Field trip at our Umang School Summer camp.

UMANG has remained committed, is committed and will remain committed to the interest of our specially - abled children, always.

Wishing everyone good health in days to come
