

Quarterly Newsletter

As on September 2025

Dear Readers,

Greetings from Umang!

As we conclude the second quarter, we are delighted to highlight the remarkable progress and memorable events that have enriched our school. The previous term has been filled with various activities that supported both academic growth and personal development of students. Celebrations such as Teachers' Day, Ganpati, and various other events will also be celebrated in this term for educational and joyful experience for students. These events not only add joy to the school environment but also promoted physical well-being, creativity, and teamwork. We are proud to share that many students have demonstrated noticeable improvement in their confidence, communication, and social interaction. We remain committed to provide meaningful opportunities that will help in holistic growth and journey of learning the coming months.

Ganesh Chaturthi celebration

Ganesh Chaturthi is a vibrant Hindu festival that marks the birth of Lord Ganesha, the deity of wisdom, prosperity, and new beginnings. It is most prominently celebrated in Maharashtra and spread across India and even to other parts of the world. The festival is marked by the installation of beautifully crafted Ganesha idols in homes and public pandals, where devotees gather for prayers, devotional songs, and lively cultural performances. At Umang school we celebrate Ganesh Festival by visiting pandals, colouring Ganpati images and making Ganpati with paper glass. It is a time for community bonding, devotion, and joyful festivities for all of us.

Dental Camp at Umang

A Dental Camp was organized at Umang Special School by Dr. Indrani and Dr. Kanak. We are grateful of them for providing free dental check-ups for our students and for sharing essential oral care information with parents

Thanks to our students who patiently sat for the check up and lastly thanks to parents for attending the informative session on oral care conducted by Doctors

Swachhotsav

Students from Umang School participated in a collaborative event organized by the Mira-Bhayandar Municipal Corporation (MBMC), Making the Difference Charitable Trust, and RRR Center. The event focused on the principles of Reduce, Reuse, and Recycle and gave information to our students about the same and included a "Best out of Waste" activity for our students.

Swach Bharat Abhiyan

U.D.I.D camp for Vasai branch

A much-needed special needs camp for students of Umang Special School (Vasai) was held on 23rd September 2025 at Umang Vasai branch, providing a convenient local option since traveling to Palghar Civil Hospital was challenging for parents. Organized in association with the VVMC, the camp greatly benefited many parents. Dr. Dr Kini, Dr Vinay Mortate Dr Nagrale from Gramin Rugnalay oversaw the screenings for the Umang students and other attending children.

Navratri celebration

Navratri is a Hindu festival celebrated for nine nights as the divine energy embodied by Goddess Durga. It is observed with fasting, prayers, and dance, it marks the victory of good over evil. The festival is known for vibrant Garba and Dandiya dances, cultural performances, and community gatherings, we also held Garba in all the branches of Umang. Students dressed in colorful dresses enjoyed garba under the guidance of dance teacher. Students were also taken for Devi darshan at Pandal near school.

Lions Club Members visit at Kandivali branch

Umang Special School's Kandivali branch welcomed members of the Lions Club of Mumbai,

Maharashtra. Their visit included a viewing of the school premises and a gracious contribution of stationery material to benefit our students.

Disha Co-ordinator visit at 3 branches of Umang

In October month Disha Co-ordinator Kiran Dharve sir and Sukeshani Rankhambe mam visited Umang branch and observed Educational aids, Time table, Disha curriculum followed by the school, also observed the teaching method of our school. In the meeting told what are the things to be followed by the school. The co-ordinator from Disha visited all our 3 branches and gave guidance to teachers and advised about few things which has to be included while teaching.

Exhibition and Sale of Articles made by Students

It was a fantastic year of opportunities for our students! Showcasing their products at various institutions and a corporate office was an excellent way to promote their talent and give them real-world experience in sales and presentation and here is a summary of the

exhibition and sale events and the vocational orders:

1 Exhibition and Sale Events

Our students had the chance to display and sell the products at several locations in September and October 2025: Nirmala College, Kandivali East, students who attended were Labdhi and Nitya along with Reetu teacher and Aakanksha teacher on September 23, 2025

Swami Vivekanand School, Kandivali West , students who attended were Labdhi and Nitya along with Reetu teacher and Stephina teacher on September 26 & on 27 students who attended were Sanjay and Parth along with Suvarna teacher and Sunita teacher

Pawar Public School, Kandivali West: October 11, 2025 students who attended were Labdhi and Nitya along with Meghna teacher and Pritee teacher, Kapol International School, Kandivali West on October 11, 2025 students who attended were Shreya and Anjali along with Roshni teacher, Bhakti teacher and Reema teacher (Note: Two events took place on the same day, October 11th)

Bayer Office, Thane: October 13, 2025 student who attended was Sanjay along with Swati teacher and Suvarna teacher

First Step Global School, Mira Bhayandar: October 15, 2025 students who attended were Rachel along with Pallavi teacher and Synthia teacher

 Vocational Product Orders: It's also impressive that our students received vocational product orders from corporate and institutional clients like L.S Spectrum, ISRO

Global Handwashing Day!

We celebrated the power of clean hands for Global Handwashing Day! 💧

On 15th October 2025 at Umang Bhayandar branch teachers explained the importance of washing hands and teaching the importance of washing away those germs to stay happy and healthy. "Clean hands, healthy life!" 🧼👏

Diwali Celebration

The Diwali celebration in our school was a joyful and vibrant occasion, filled with colorful decorations, beautiful Rangoli designs, and handmade Kandils. Students and teachers came together to celebrate the Festival of Lights with great enthusiasm. To help students understand the significance of Diwali, we shared informative and engaging videos. The day concluded with the distribution of sweets and gifts, adding to the festive spirit. The celebration fostered unity, creativity, and a sense of inclusivity among all students, making it a memorable event for everyone.

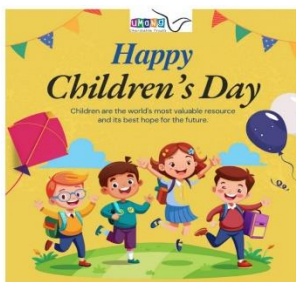

Inspection at Bhyandar branch

An Apang Kalyan license renewal inspection was conducted at the Umang Bhayandar branch by Shirke Madam. During her visit, she carefully reviewed all school registers and examined the classrooms to ensure proper maintenance and documentation according to guidelines. The inspection was carried out smoothly and successfully, supporting the license renewal process and reinforcing the school to improve quality education, safety, and compliance with regulatory standards for the benefit of all students

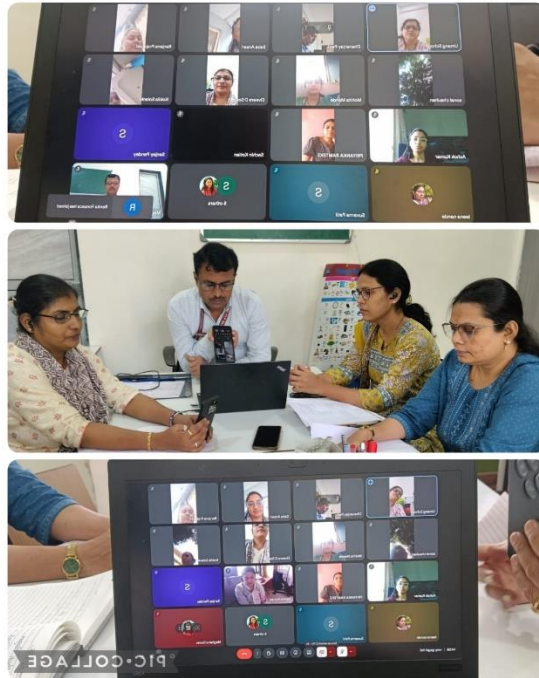

Children's Day Celebration

What a fantastic Children's Day Celebration Week at Umang Special School! 🎉 Our Vasai branch students, along with their parents and teachers, had a memorable time on a special picnic trip to a resort. The Kandivali and Bhayandar branches got together for a joyful funfair! They participated in food stalls, got temporary tattoos, pottery making, played games, and danced the day away! So much fun!

Workshop on Niramaya Health Insurance scheme

Sensitization workshop (Online) on Niramaya Health Insurance Schemes and Enrollment and claim process by Navnath Jagadale sir Vocational Counselor AYJNISHD Bandra west Mumbai for the parents of Umang special school

Half yearly Assessment

The half-yearly assessment is conducted across all branches of Umang to evaluate students' progress and overall development during the first half of the academic year. Teachers use Disha assessment tools such as classroom observations, one-on-one evaluations, and individualized tasks to assess skill development in key areas including communication, motor skills, and cognitive abilities. These assessments help identify each student's strengths as well as areas that need improvement, allowing educators and parents to plan effective teaching strategies and provide appropriate support for the students' continued growth.

UMANG has remained committed, is committed and will remain committed to the interest of our specially - abled children, always.

Wishing everyone good health in days to come

For: Umang Charitable Trust

Date: 30/09/2025
